II. First Comment Period

R. Wiedmann: Can DPTF get a sign in DPTF saying no engine brakes allowed? Answer: ADOT controls Highway 89 and the signage on it, so that request would have to go to them.

S. Walsh: Doesn't want trails paved over. Doesn't want multi-family housing allowed in DPTF.

D. Meyer: Dark skies are addressed in a chapter that doesn't have goals and policies – is that appropriate? Will they still be enforced? Answer: There are goals and policies concerning dark skies. They can be found in drafts of chapters, which are posted online and will also be available during open house(s) for public review.

W. LeRoy: Are draft/working documents posted online so that the public may see and comment on them? Answer: Yes
