

Project Overview

The **Townsend-Winona Pavement Project** is necessary to improve and extend the service life of the deteriorated stretch of Townsend-Winona Road between Leupp Road and Interstate 40 (I-40). The project includes a mill and overlay of more than two miles of roadway as well as widened multimodal lanes, installation of new guardrails and the restriping of the roadway.

ADOT-Managed Project: Leupp Rd. to I-40

- ◆ Estimated Start: Early October 2016
- ◆ Estimate Completion: Mid-November 2016 (Weather Permitting)
- ◆ Project Engineer: Parsons Brinckerhoff
- ◆ Project Contractor: C and E Paving & Grading
- ◆ Funding: Prop. 403 & Federal STP Grant
- ◆ Estimated Cost: \$2.2 Million

Project Features:

- ⇒ Pavement Rehabilitation
- ⇒ Widened Multimodal Lanes
- ⇒ Guardrail Replacement and New Guardrails
- ⇒ Roadway Restriping

-  Leave Early
-  Expect Delays
-  Follow Traffic Control
-  Use an Alternate Route

Traffic Control and Project Information will be available at www.coconino.az.gov/TownsendWinonaProject
