

### Former Research and Education Grants

2016	The Physics of Force and Motion: Math and Science Partnership, Arizona Dept. of Education	\$643,385
2016	Northern Arizona Intel Math: Math and Science Partnership, Arizona Dept. of Education	\$573,221
2016	The Orchestra Rocks: Arizona Commission of the Arts	\$5,000
2015	The Orchestra Moves: Arizona Commission of the Arts	\$4,700
2015	Quantitative Reasoning in Arizona ITQ. Improving Teacher Quality Grant, AZ Board of Regents	\$152,969
2015	Special Topics in Grades 3-5 Mathematics ITQ. Improving Teacher Quality Grant, AZ Board of Regents	\$97,110
2015	Engaging Elementary Students in the Engineering Process. Arizona Community Foundation Grant	\$15,334
2015	English Language Learners Consortium Grant. Title III, Arizona Department of Education	\$28,937
2014	The Orchestra Sings: Arizona Commission of the Arts	\$3,900
2014 – 2015	Making Sense of Science: Energy, Organisms and Literacy. Math and Science Partnership, Arizona Dept. of Education	\$653,410
2014 – 2015	Northern Arizona Functions & Models Secondary Mathematics Project. Math and Science Partnership, Arizona Dept. of Education	\$478,204
2014	English Language Learners Consortium Grant. Title III, Arizona Department of Education	\$17,861
2013	English Language Learners Consortium Grant. Title III, Arizona Department of Education	\$8,716
2012 – 2014	Northern Arizona Environmental Science and Literacy Integration. Math and Science Partnership, Arizona Dept. of Education	\$1,429,320
2012 – 2014	Intel Math & Response to Intervention Project for Northern Arizona. Math and Science Partnership, Arizona Dept. of Education	\$873,036
2012	Intel Math project for Northern Arizona. Arizona Improving Teacher Quality Advisory Council	\$408,432
2011	Northern Arizona Intel Math Project Math and Science Partnership	\$350,710
2011	Northern Arizona Environmental Science and Literacy Integration. Math and Science Partnership	\$407,000
2010- 2014	Content Literacy Grant. Arizona Professional Development Grant, Arizona Department of Education	\$309,000
2009	Conceptual Understanding of Biological Sciences. Renewal Math and Science Partnership Program, Arizona Department of Education	\$225,000
2012	Intel Math project for Northern Arizona. Arizona Improving Teacher Quality Advisory Council	\$408,432
2011	Northern Arizona Intel Math Project Math and Science Partnership.	\$350,710
2011	Northern Arizona Environmental Science and Literacy Integration. Math and Science Partnership	\$407,000
2010- 2014	Content Literacy Grant. Arizona Professional Development Grant, Arizona Department of Education	\$309,000
2009	Conceptual Understanding of Biological Sciences. Renewal Math and Science Partnership Program, Arizona Department of Education	\$225,000
