

CONSENT DECREE FOR CASES WITHOUT CHILDREN

YOU CAN USE THIS PACKET IF ALL THIS IS TRUE:

- You or the other party filed a Petition for divorce or legal separation.
- You and the other party agree on all terms of the divorce or legal separation.
- You and the other party do not have children under age 18, and the wife is not pregnant by the husband.
- You do not have a covenant marriage.
- You want to conclude your case.

Before signing a court document or getting involved with a court case, it's important to see an attorney to make sure you're doing the right thing. The Self-Help Center has information on finding an attorney.

Respondent: _____

THE PARTIES STATE:

We each have paid an appearance fee or been granted a fee deferral. We agree upon the terms of this Decree. We agree to proceed by consent. We believe that no duress or coercion is involved in these agreements. We understand we each may retain legal counsel of our choice. We understand we are waiving the right to trial. We believe the division of property in this Decree is fair and equitable. At least 60 days have passed since the Petition was served on Respondent, or Respondent waived formal service in a Joint Petition and Response. We do not have a covenant marriage. We have no biological or adopted children together, and the wife is not pregnant by the husband. We understand the effect this Decree would have on any protective orders between us. We understand that protective orders will not change unless the court changes them.

THE COURT FINDS:

This case has come before the court for a Consent Decree. The court has taken all testimony needed, or determined testimony is not needed, to enter a final Decree. The court has jurisdiction over the parties under the law, and the provisions of the Decree are fair and reasonable under the circumstances. The parties have met the Consent Decree requirements. The conciliation provisions have been met or do not apply. The parties have no biological or adopted children together, and the wife is not pregnant by the husband.

For a Consent Decree of Legal Separation: The parties’ non-covenant marriage is irretrievably broken, or at least one party desires to live separate and apart. At least one party lived in Arizona, or was stationed in Arizona while a member of the armed services, on the date the Petition was filed. Respondent does not object to a decree of legal separation.

For a Consent Decree of Divorce: The parties’ non-covenant marriage is irretrievably broken. At least one party lived in Arizona for at least the 90 days before the date the Petition was filed.

THE COURT ORDERS:

For a Consent Decree of Legal Separation: The parties are legally separated.

For a Consent Decree of Divorce: The parties’ marriage is dissolved.

Spousal Support:

- Neither party is entitled to spousal support.
- Petitioner or Respondent shall receive \$_____ per month in spousal support from the other party beginning the first day of the month after the Decree is signed because they:
 - Lack sufficient property, including property apportioned to them, to provide for their needs
 - Lack earning ability in the labor market that is adequate to be self-sufficient
 - Are the parent of a child whose age or condition is such that the parent should not be required to seek employment outside the home
 - Have made a significant financial or other contribution to their spouse’s education, training, vocational skills, career, or earning ability, or has significantly reduced their income or career opportunities for their spouse’s benefit
 - Had a marriage of long duration and is of an age that may preclude the possibility of gaining employment adequate to be self-sufficient

Payments shall be made by the first day of each month thereafter and continue until the receiving party is remarried or deceased or until _____. Payments shall be made through the Support Payment Clearinghouse by automatic wage assignment.

Property and Debts:

If you own any property or owe any debts, or if your spouse does, you must list them. See the Instructions in this packet for details.
