

Coconino County Superintendent of Schools – Education Service Agency
2384 N. Steves Blvd - Flagstaff, AZ - 86004-6105

The Coconino County Education Service Agency (CCESA) has had a successful year in our Special Education Consortium, providing high quality and cost effective professionals to service special education students throughout Coconino County schools.

During the 2016-2017 and 2017-2018 school years, we provided services to both district and charter schools across Coconino County. Providers contracted through the CCESA included school psychologists, occupational therapists, counselors, and special education teachers. 100% of the schools serviced this year “strongly agreed” with each of the following measures, when asked to rate the quality of CCESA service providers:

- Attends and participates in IEP meetings
- Collaborates with colleagues and other professionals regarding student progress
- Maintains confidentiality of information and records
- Completes documentation appropriately and timely
- Successfully meets IEP service minute requirements
- Provides effective and high quality services to students
- Interactions display genuine caring and respect for students as individuals
- Actively engages parents through communication and collaboration
- Displays cultural sensitivity
- Makes appropriate referrals when necessary to meet student needs
- Demonstrates professionalism with both clients and colleagues
- Provides services in a reliable and timely manner

The CCESA looks forward to continuing to provide high quality special education services in the 2018-2019 school year. We are pleased to announce that we have recently expanded our vendor pool and developed a more competitive rate schedule. In addition, we are able to provide E-Therapy services for more rural schools that require more creative options to meet their students' special education needs.

If interested in contracting with the CCESA for any services during the 2018-2019 school year, please complete the attached Service Request Form and return it via email or in the enclosed self-addressed envelope. We would also be happy to schedule a meeting with you to further discuss how we might partner together to meet your school's needs for special education services.
