Shape
Your Parks, Your Future
Coconino County Parks & Recreation is updating its Master Plan and we want to hear from YOU!

What is a master plan?
This master plan will shape the future of Coconino County’s parks, recreation, trails, and open space by identifying each community’s needs, goals and priorities.

Why is it important?
Parks, recreation, and open space objectives change over time. By identifying existing conditions, needs, and future resources, this master plan will craft a shared vision in Coconino County.

Your Voice Matters!
- Attend a community meeting 
  (Summer and Fall 2018)
- Complete the survey 
  (Winter 2018-19)
- Review the draft plan 
  (Winter 2018-19 and Summer 2019)

Check out our website for updates, a list of community meeting event dates and locations, survey links, and more information.

Your input is needed on:
- Your community’s existing parks and recreation facilities and services
- Your community’s needs, goals, and parks and recreation priorities
- Potential partners in addressing needs, goals, and priorities
- Resources to leverage
- How can Coconino County Parks & Recreation assist in achieving needs, goals, and priorities
