GN Code	Grant Title	Due Date	Note
US1504	Rural Community Development Initiative (RCDI) - FY 2023	06/28/2023 (Multiple)	Any Org: to develop the capacity and ability of private nonprofit community-based housing and community development organizations, low-income rural communities, and federally recognized Native American tribes to undertake projects related to housing, community facilities, or community and economic development in rural areas. The structure of this program requires that applicants (intermediaries) provide a program of financial and technical assistance to recipients. The recipients will, in turn,
US0483	Emergency Community Water Assistance Grants (ECWAG) - FY 2023	Rolling	Local Govt, Non-profits, Native American Tribes: to help rural communities prepare for or recover from an emergency that threatens the availability of safe, reliable drinking water. Eligible projects may take place in communities that have experienced a significant decline in quantity or quality of drinking water due to an emergency, or in which such decline is considered imminent. Funding is intended to maintain the standards prescribed by the Safe Drinking Water Act.
FD7429	SC Johnson Grants and Product Donations - FY 2023	Rolling	Non-profits, Schools, Local Govt: to improve quality of life in areas where the funding agency operates by supporting nonprofit organizations and government entities, such as schools, libraries, and public agencies, that serve or directly affect communities where the funding agency has operations. The funding agency has a focus on geographic areas where it has major operations, but will also consider requests with regional or national scope.
US17556	Community Health Aide Program (CHAP): Tribal Assessment and Planning (TAP) Program - FY 2023	08/07/2023	Native American Tribes: to support the assessment and planning of tribes and tribal organizations (T/TO) in determining the feasibility of implementing a community health aide program (CHAP) in their respective communities. This program is designed to support the regional flexibility required for T/TO to design a program unique to the needs of their individual communities across the country through the identification of feasibility factors.
FD0566B	The Harry and Jeanette Weinberg Foundation (Part B): Operating Grants - FY 2023	Rolling	Non-profits: to meet the basic needs of people experiencing poverty by supporting nonprofit organizations that provide direct services to specific populations, including older adults, women and children at risk, people with disabilities, veterans, and the Jewish community. Funding will support capital, general operating, and program-specific awards.
US17785	Climate Smart Humanities Organizations - FY 2023 (2)	09/14/2023	Any Org (except Private): to strengthen the institutional base of the humanities by funding organizational assessments and strategic planning that sustain and protect historical, cultural, educational, intellectual, and physical assets from the risks of climate change. Supported projects will result in climate action and adaptation planning documents or similar detailed assessments, including prioritized, measurable actions and their expected outcomes, which will help to mitigate physical ..
US18175	Fostering Diverse Schools Demonstration Grants - FY 2023	07/07/2023	Schools: to support local educational agencies (LEAs), consortia of LEAs, or one or more LEAs in partnership with a state educational agency (SEA) in providing students with access to a well-rounded education and to improve school conditions for student learning by developing or implementing, and making publicly available as a resource for other LEAs and SEAs, comprehensive plans for increasing school socioeconomic diversity in preschool through grade 12. This program is intended to help build
FD19516	Vadon Foundation - FY 2023	Rolling	Any Org: to support innovative community-based initiatives that sustain healthy thriving Indigenous nations in perpetuity. Supported projects will work to ensure that every successive generation of Indigenous people and culture will face an increasingly brighter future of healthy self-determination, autonomy, evolution, and sustainability. In addition, the funding agency aims to develop and support visionary changemakers within Native communities to provide the most proven path for fostering..
FD20369	The Rosendin Foundation: Emergency Grant (Select States) - FY 2023	Rolling	Any Org: to provide one-time emergency awards on an as-needed basis to community-focused nonprofit organizations to support health, including emotional, nutritional, and occupational programming. Funds should be used for unplanned and unbudgeted expenditures arising due to unforeseen circumstances, such as fires, tornadoes, flooding, the pandemic, and loss of funding.
FD0089	W.K. Kellogg Foundation (WKKF) Grants - FY 2023	Rolling	Any Org: to support children, families, and communities as they strengthen and create conditions that propel vulnerable children to achieve success as individuals and as contributors to the larger community and society. Awards will support the funding agency's goal of creating lasting, transformational change for children and achieving strong outcomes for children by connecting what families need at home, in child care settings, at school, at work, and in their communities.
FD6985	Arizona Public Service (APS): Community Impact Grants (Select Areas, AZ) - FY 2023	Rolling	AZ Non-profits: to respond to the diverse needs in each of the communities that the funding agency serves across Arizona by supporting nonprofit organizations providing services in those communities. Additional consideration is given to projects that serve under-resourced populations.

FD19266	Arizona Complete Health and Care1st: Event Sponsorships (Arizona) - FY 2023	Rolling	Any Org (except Private): to support sponsorships for events that will benefit applicant organizations that provide vital services in their communities and do not have fundraising mechanisms other than events. Additionally, impactful educational events and workforce development opportunities, such as professional conferences or community trainings, will be considered for sponsorship.
FD21999	CDC Foundation: Supporting Community-Based Organizations and School Boards to Pilot Basic Swimming and Water Safety Training for School-Aged Children (Select States) - FY 2023	10/15/2023 (Multiple)	Non-profits: to support community-based organizations (CBOs) interested in expanding access to basic swimming and water safety skills training among children aged 6 to 15 years. The program goal is to support teaching school-aged children basic swimming and water safety skills, which has been shown to be an effective drowning prevention strategy.
FD19414	Morgan Stanley Foundation: Morgan Stanley Alliance for Children's Mental Health: Children's Mental Health Innovation Awards - FY 2023	07/14/2023	Non-profits: to provide financial and technical assistance to nonprofit direct service organizations for mental health-care solutions for children and young adults. This program is intended to address the lack of both private and public investment in children's mental health and offer effective ways to connect innovative ideas with capital through seed funding, networking, and capacity-building opportunities.
FD12141	Diane and Bruce Halle Foundation (Arizona) - FY 2023	07/15/2023 (Multiple)	AZ Non-profits: to strengthen the daily opportunities and lifelong outcomes for the people and communities of Arizona by providing program, capital, and general support to nonprofit organizations in the following categories of giving: Human services: support for organizations that provide basic human needs and that support those who are without resources
US15834	Federal Home Loan Bank (FHLBank) of San Francisco: Access to Housing and Economic Assistance for Development (AHEAD) Program (Select States) - FY 2023	06/01/2023 (Multiple)	Non-profits, Local Govt: o ensure that people living in lower-income communities have the infrastructure and resources they need to fully participate in a changing economy. Awards issued through this program will help create a brighter, more equitable future for underserved people, neighborhoods, and communities. Funding will support innovative, targeted initiatives that will create new economic opportunity by expanding proven development models or piloting new interventions.
FD0627	Clarence E. Heller Charitable Foundation - FY 2023 (2)	08/01/2023	Npn-profits and Academic Inst: to protect and improve the quality of life by supporting projects of nonprofit organizations that address the environment, human health, education, and the arts. Projects must fall under one of the following priority areas: Environment and health: promoting the long-term good health and viability of communities and regions by: Preventing harm to human health from toxic substances and other environmental hazards
FD8856	Petco Love: Animal Welfare Organizations Performing Sheltering and Adoptions - FY 2023	07/31/2023	Non-profit and Local Govt: to support animal welfare causes. Funding will support animal welfare organizations that perform sheltering and adoptions to increase positive outcomes, decrease intake, and/or provide care to community-owned animals in need.
FD20441	Closed Loop Partners and PepsiCo Beverages North America: Closed Loop Local Recycling Fund - FY 2023	Rolling	Private Sector, Local Govt: to advance new small-scale, modular recycling systems in communities across the United States. This program will provide debt funding to municipalities and private companies to build small-scale, modular material recovery facilities. This program is particularly interested in increasing recycling in areas with no or limited access to recycling, reducing waste, and unlocking a new supply of recycled plastic (rPET), among other valuable materials, to support PepsiCo's s
FD14117	Arnold Ventures: Demonstrating the Power of Evidence-Based Programs to "Move the Needle" on Major U.S. Social Problems - FY 2023	Rolling	Any Org: to spur the expanded implementation of social programs that have been rigorously shown to improve important life outcomes in order to make significant headway against national social problems.
FD10775	Ellis L. Phillips Foundation - FY 2023	Rolling	Non-profits and Schools: to identify "what needs to be done" and provide strategic investments to charities with projects that serve as catalysts for the greater good. Awards are intended to serve as a spark to measurably further an organization's mission and purpose while also attracting new supporters and participants. The funding agency's interest areas include: Informal education The environment Human services Visual arts and music Historic preservation The promotion of philanthropy
US6329	Federal Lands to Parks Program - FY 2023	Unknown	Local Govt: to help increase close-to-home recreation opportunities while reducing the federal government's inventory of real property by allowing states, counties, and communities to acquire federal land and buildings no longer needed by the federal government at no cost on the condition that they are protected for public parks and recreation. Property acquired through this program must be used for public park and recreational use in perpetuity. The land may be developed for one or more recreat
FD12937	Bank of America: Sponsorships (Select Areas) - FY 2023	Rolling	Non-profits: to support the economic, social, and cultural life of communities in which the funding agency has a presence by providing an extensive array of arts and sports sponsorships to nonprofit organizations. Sponsorships may include the underwriting of art exhibitions, events, and performances that require private funding to make them a reality.

US10089	National Endowment for the Arts (NEA): Our Town - FY 2024	08/03/2023 (Multiple)	Any Org (except Private): to support activities that integrate arts, culture, and design into local efforts that strengthen communities. Projects supported through this program will advance local economic, physical, and/or social outcomes in communities, ultimately laying the groundwork for long-term systems change.
US5015	Environmental Protection Agency (EPA): Superfund Technical Assistance Grant (TAG) Program - FY 2023	Rolling	Private Sector, Non-profits: to allow communities to better understand what is going on at Superfund sites, which are sites contaminated due to hazardous waste being dumped, left out in the open, or otherwise improperly managed. These sites include manufacturing facilities, processing plants, landfills, and mining sites. The program will make awards available to communities to pay for advisors who will interpret and explain site reports and conditions, as well as proposed cleanup plans..
FD17616	Arizona Complete Health and Care1st: Outcomes-Based Partnerships (Arizona) - FY 2023	Rolling	Non-profits, schools, Local Govt: to provide support for outcomes-based charitable programming, initiatives, and campaigns, as well as general organizational funding. Awards will focus on health initiatives; however, support will also be provided for philanthropic initiatives and partnerships with organizations focused on education, children, and the arts.
FD4146	Fruit Tree Planting Foundation (FTPF): Fruit Tree Orchard Grant - FY 2023	Rolling	Any Org (except Private): to provide for the planting of fruit tree orchards to improve the surrounding environment and provide a local source of healthy nutrition. Orchards may be planted in places such as community gardens, public schools, city and state parks, low-income neighborhoods, Native American reservations, and animal sanctuaries.
FD7467	Oak Foundation - FY 2023	Rolling	Non-profits and Academic Inst: to address issues of global, social, and environmental concern, particularly those that have a major impact on the lives of the disadvantaged through rights-based approaches, gender equality, and partnerships with the nonprofit organizations it funds.
US15810	Library of Congress Teaching with Primary Sources (TPS) Program: Western Region (Select States) - FY 2023	Rolling	Any Org (except Private): to support nonfederal educational organizations planning to integrate the Library of Congress's resources into educational projects and teaching materials. Projects should be designed to deliver educational programming centered on resources made available by the Library of Congress. Projects should target pre- and in-service teachers, librarians, media specialists, and other K-12 educators.
FD13081	PNC: Charitable Sponsorships (Select Areas) - FY 2023	Rolling	Non-profits: to create positive change in communities served by PNC by supporting initiatives and organizations connected to education, community, and economic development, including such areas as the arts, culture, and financial education. Funding will support projects that fall under one of the following areas: Education: projects involving the enhancement of educational opportunities, particularly early education initiatives serving low- and moderate-income children Arts and culture: project
FD14131	George and Miriam Martin Foundation - FY 2023	Rolling	Non-profits: to support river and watershed conservation efforts of nonprofit organizations. Support will be provided for the preservation of streams and wetlands.
FD17501	The Numotion Foundation - FY 2023	Rolling	Non-profits: to support nonprofit organizations that work toward enhancing the lives of people with disabilities. Funding will support research, as well as other necessary support services for individuals with mobility disabilities.
FD5837	First Responders Children's Foundation (FRCF): Community Engagement Grants - FY 2023	Rolling	Non-profits, Schools, Local Govt: to help foster healthy relationships between first responders and the children in the communities they serve, while also inspiring a new generation that may have an interest in a first responder career. Awards will be considered for projects in the following areas...
US17398	Closing the Gap with Social Determinants of Health (SDOH) Accelerator Plans - FY 2023	07/11/2023	Any Org (except Private): to accelerate action in state, local, territorial, and tribal jurisdictions that leads to improved chronic disease outcomes among persons experiencing health disparities and inequities. Award recipients will collaborate with multisectoral partners to develop implementation-ready SDOH accelerator plans to reduce disparities in health outcomes related to chronic disease within a state, local, territorial, and tribal jurisdiction, community, or catchment area.
US18189	Bipartisan Infrastructure Law (BIL): Energy Improvement in Rural or Remote Areas Fixed Award Grant Program (Rural or Remote Areas) - FY 2023	07/13/2023	Any Org: to support clean energy projects that meaningfully benefit rural and remote communities by addressing their energy needs and priorities. Awarded clean energy projects must satisfy at least one of the following resilient clean energy objectives: Improving overall cost effectiveness of energy generation, transmission, or distribution systems Siting or upgrading transmission and distribution lines Reducing greenhouse gas emissions from energy generation in rural or remote areas
US18188	Green and Resilient Retrofit Program (GRRP): Leading Edge (Limited Eligibility) - FY 2023	07/31/2023 (Multiple)	Any Org: to support U.S. Department of Housing and Urban Development (HUD)-assisted multifamily housing by amplifying recent technological advancements in utility efficiency and energy generation, bringing a new focus on preparing for climate hazards by reducing residents' and properties' exposure to hazards, and protecting life, livability, and property when disaster strikes. In particular, this program will provide funding to applicants aiming to quickly meet ambitious carbon reduction...
US7196B	National Science Foundation (NSF): Robert Noyce Teacher Scholarship Program (Part B): Track 2: Teaching Fellowships (TF) - FY 2023	08/29/2023 (Multiple)	Non-profits and Academic Inst: to support institutions of higher education (IHEs) to develop and sustain a culture where undergraduate science, technology, engineering, and mathematics (STEM) majors and STEM professionals, especially those of the highest achievement and ability who might otherwise not have considered a career in K-12 teaching, are encouraged and supported to become teachers in high-need school districts. This program also supports experienced, exemplary STEM teachers to become..
US7196D	National Science Foundation (NSF): Robert Noyce Teacher Scholarship Program (Part D): Track 4: Noyce Research - FY 2023	08/29/2023 (Multiple)	Non-profits and Academic Inst: to support institutions of higher education (IHEs) to develop and sustain a culture where undergraduate science, technology, engineering, and mathematics (STEM) majors and STEM professionals, especially those of the highest achievement and ability who might otherwise not have considered a career in K-12 teaching, are encouraged and supported to become teachers in high-need school districts. This program also supports experienced, exemplary STEM teachers to become

FD16372	League Baseball and Major League Baseball Players Association (MLB-MLBPA) Youth Development Foundation (YDF) - FY 2023	Rolling	Non-profits, schools, Local Govt: to provide financial assistance and equipment kits to support efforts that focus on improving the caliber, effectiveness, and availability of amateur baseball and softball programs. This program encourages projects that involve bold, innovative, and creative ideas to increase opportunities for elementary through high school youth, including youth who are minorities, girls, and/or located in underserved communities, to play baseball and/or softball. This program
FD15930	Office of Community Oriented Policing Services (COPS) and the International Association of Chiefs of Police (IACP): Collaborative Reform Initiative Technical Assistance Center (CRI-TAC) - FY 2023	Rolling	Local Govt, Native American Tribes: to provide customized training and technical assistance at no cost to state, local, tribal, campus, and territorial law enforcement agencies on a wide variety of topics. The program is built to meet the diverse needs of law enforcement agencies, and works to develop solutions specifically tailored to the applicant agency, allowing it to play an active role in the problem-solving process.
US16969	Rural Maternity and Obstetrics Management Strategies (RMOMS) Program - FY 2023	07/07/2023	Any Org: to establish or continue collaborative improvement and innovation networks to improve access to and delivery of maternity and obstetrics care in rural areas. This program is intended to provide startup funding to award recipients to test out new approaches to supporting, enhancing, and expanding maternal and obstetrics care. Award recipients are expected to utilize these startup funds to implement strategies that demonstrate the success of their approach and work with payers and networ
US18193	Healthy Families Community-Based Perinatal Health Initiative (COPHI) - FY 2023	07/18/2023	Any Org (except Private): to develop innovative models for integrating community-based maternal support services (COMSS) into perinatal systems of care. The program goal is to integrate COMSS into perinatal systems of care to ultimately improve pregnant and post-partum people's health outcomes and reduce racial and ethnic disparities. Supported COMSS are social and supportive services that address social determinants of health (SDOH), such as health literacy; pregnancy, childbirth...
US0039D	Susan Harwood Training Grant Program (Part D): Capacity Building Pilot - FY 2023	07/07/2023	Non-profits and Academic Inst: to support the provision of training and education for small business employers and workers on the recognition, avoidance, and prevention of safety and health hazards in their workplaces; and to inform workers of their rights and employers of their responsibilities under the Occupational Safety and Health (OSH) Act.
FD22038	American Alliance of Museums (AAM): Museum Assessment Program (MAP): Follow-Up Visit (Limited Eligibility) - FY 2023	08/01/2023 (Multiple)	Any Org: to offer a low-cost follow-up visit to recent MAP participants, in order to help guide, support, and further the museums' efforts to implement recommendations that were laid out by the peer reviewers in their original assessment reports through a short, focused site visit. A follow-up visit is most useful for museums which have begun working on MAP recommendation implementation steps, have kept in touch with their peer reviewers, and have a strategic and specific goal
US18195	Empowering Rural America (New ERA) Program - FY 2023	08/31/2023	Non-profits: to provide financial assistance to rural electric cooperatives to achieve the greatest reduction in greenhouse gas (GHG) emissions through the cooperatives' voluntary transformation of rural electric systems in a way that promotes resiliency and reliability of rural electric systems and affordability for their members. Energy produced through this program will be clean, affordable, reliable, and owned by the people who live in rural American, thereby allowing for a new era in rural
US18129A	Regional Technology and Innovation Hubs (Tech Hubs Program): Designating Tech Hubs (Part A): Designation - FY 2023	08/15/2023	Any Org: to strengthen U.S. economic and national security through place-based investments in regions with the assets, resources, capacity, and potential to become globally competitive tech hubs, within approximately ten years, in the technologies and industries of the future, and for those industries, companies, and the good jobs they create to start, grow, and remain in the United States. This program will support the modernization of U.S. manufacturing and improve commercialization and domest
US18129B	Regional Technology and Innovation Hubs (Tech Hubs Program): Designating Tech Hubs (Part B): Strategy Development Award - FY 2023	08/15/2023	Any Org: to strengthen U.S. economic and national security through place-based investments in regions with the assets, resources, capacity, and potential to become globally competitive tech hubs, within approximately ten years, in the technologies and industries of the future, and for those industries, companies, and the good jobs they create to start, grow, and remain in the United States. This program will support the modernization of U.S. manufacturing and improve commercialization and domes
FD8933	Ittleson Foundation: Environmental Program - FY 2023	09/01/2023	Non-profits and Academic Institutions: to help move individuals, communities, and organizations from environmental awareness to environmental activism by changing attitudes and behaviors. Funding will be provided to tax-exempt nonprofit organizations to support innovative pilot, model, and demonstration projects that have the potential to greatly enhance public policy and the lives of fellow citizens.
US18196	Powering Affordable Clean Energy (PACE) Program - FY 2023	Rolling	Any Org: to provide loan funding to finance power generation projects for Renewable Energy Resource (RER) systems or Energy Storage Systems (ESS) that support RER projects. The program goal is to support clean, affordable energy growth across the country through loans to eligible entities with varying levels of loan forgiveness for projects that generate and/or store electricity from RER.
AZ0864	Arizona Commission on the Arts: Youth Arts Engagement (YAE) Grant - FY 2024	09/14/2023 (Multiple)	Any AZ Org (except Private): to support projects focused on young people ages 24 and under that occur outside of traditional school hours and are rooted in arts learning practices, particularly sequential hands-on learning through the arts. Projects should provide creative expression in safe and nurturing environments; honor youth voices, narratives, and perspectives; and utilize the assets of the community being served.
US18020B	Bipartisan Infrastructure Law (BIL): Energy Improvement in Rural or Remote Areas (Part B): Large-Scale Demonstrations - FY 2023	08/02/2023 (Multiple)	Any Org: to provide financial investment, technical assistance, and other resources to advance clean energy demonstrations and energy solutions in rural and remote areas that can be replicated and scaled. Program goals include: Delivering measurable benefits to energy customers in rural or remote areas by supporting replicable energy projects that lower energy costs, improve energy access and resilience, and/or reduce environmental harm Demonstrating new rural or remote energy system models us

FD21790	The Lowe's Foundation: Gable Grants Program - FY 2023	09/10/2023 (Multiple)	Community Colleges and Non-profits: to provide support to community and technical colleges, community-based nonprofit organizations, and government entities nationwide to recruit, train, and employ the future skilled trades workforce, with an emphasis on under-represented communities, as well as increasing gender, racial, and ethnic diversity and access in rural areas. Awards will be provided in support of the funding agency's commitment to train thousands of job-ready, skilled tradespeople...
US17911B	Energizing Rural Communities Prize (Part B): Finance Track - FY 2023	05/24/2023 (Multiple)	Any Org: to incentivize the development of clean energy projects in rural or remote areas of the country by offering a cash prize pool to kickstart development of clean energy projects. The prize is intended to encourage applicants to take the first steps necessary to develop a clean energy project, and applicants should have an idea for a future project; however, construction is not required as part of the prize. The program is intended to: Demonstrate innovative and replicable partnership an
US0481	Surplus Real Property Available for Public Use - FY 2023	Unknown	Non-profits and Local Govt: to make surplus real property that is no longer needed by the federal government available for other public uses. Support is available for the transfer of surplus properties to eligible applicants in order to enhance the vitality of a community through public benefit conveyances (PBCs).
US18032A	Overdose Data to Action: Limiting Overdose Through Collaborative Actions in Localities (OD2A: LOCAL) (Part A): Component A: Core Prevention and Surveillance Strategies - FY 2023	05/08/2023	Local Govt and Academic Inst: to support projects that will use data to drive actions that reduce overdose morbidity and mortality in communities quickly, while addressing health disparities, with a primary focus on opioid, stimulant, and polysubstance use involving opioids and/or stimulants. Funding will support projects that will: Decrease non-fatal and fatal drug overdoses, overall and especially among disproportionately affected and underserved populations, with a primary focus on overdose
US8001	Community Oriented Policing Services (COPS) Hiring Program (CHP) - FY 2023	05/11/2023 (Multiple)	Local Govt and Native American Tribes: to provide direct support to law enforcement agencies to hire and/or rehire additional career law enforcement officers in an effort to increase their community policing capacity and crime prevention efforts. Anticipated program outcomes include engagement in planned community partnerships, implementation of projects to analyze and assess problems, implementation of changes to personnel and agency management in support of community policing, and increased..
US17430	Community Policing Development (CPD) Implementing Crisis Intervention Teams (CIT) - FY 2023	05/08/2023 (Multiple)	Local Govt and Native American Tribes: to develop the capacity of law enforcement to implement community policing strategies by providing guidance on promising practices through the development and testing of innovative strategies; building knowledge about effective practices and outcomes; and supporting new, creative approaches to preventing crime and promoting safe communities. Funding will support projects that will create or expand crisis intervention teams (CITs) and embed mental and...
FD8950	Arizona Community Action Association: Supplemental Nutrition Assistance Program (SNAP) Community Partner (SCP) Program (Arizona) - FY 2024	Rolling	Non-profits and Local Govt: to address hunger in Arizona through the provision of education and application assistance related to the federal Supplemental Nutrition Assistance Program (SNAP), formerly known as food stamps. Successful nonprofit organizations and government agencies working in the community on SNAP outreach and/or application assistance will receive support to inform potentially eligible households about the availability, eligibility requirements, application procedures, and..
FD12672	Groundswell Fund: Rapid Response Fund (RRF) - FY 2023	Rolling	Non-profits: to meet unforeseen needs and opportunities in the struggle to advance and defend social and reproductive justice organizing by women of color and trans people of color. The program will provide fast funding to grassroots organizations led by women of color (WOC), transgender people of color (POC), and low-income women and transgender people to protect and advance reproductive and social justice. Funding is intended to respond to an unanticipated event, political moment, and/or...
US6270	Training and Services to End Abuse in Later Life Program - FY 2023	03/02/2023 (Multiple)	Any Org (except Private): to support a comprehensive approach to addressing abuse in later life, including domestic violence, dating violence, sexual assault, stalking, neglect, abandonment, economic abuse, or willful harm committed against victims who are 50 years of age or older. Funding must be used for the following four mandatory purpose areas: Providing training programs to assist law enforcement agencies; prosecutors; agencies of states or units of local government; population-specific
US16311	Residential (Secure) Services for Unaccompanied Children - FY 2023-2025	06/30/2023 (Multiple)	Any Org: to provide temporary shelter care and other child welfare-related services to unaccompanied children (UC) in the custody of the Office of Refugee Resettlement (ORR). For the purposes of this program, UC are defined as children who: Have no lawful immigration status in the United States Have not attained 18 years of age Have no parent or legal guardian in the country, or no parent or legal guardian in the country is available to provide care and physical custody
US16989A	Adult Treatment Court (ATC) Discretionary Grant Program (Site-Based) (Part A): Planning and Implementation - FY 2023	04/18/2023 (Multiple)	Any Org (except Private): to support the planning, implementation, and enhancement of substance use treatment courts, also known as adult treatment courts (ATCs), including service coordination, management of treatment court participants, fidelity to the model, and recovery support services. This program furthers the funding agency's mission by providing resources to state, local, and federally recognized tribal governments to support treatment court programs for individuals involved
US17910	American-Made Challenges: Buildings Upgrade Prize (Buildings UP) - FY 2023	07/18/2023 (Multiple)	Any Org: to reduce greenhouse gas emissions in existing buildings through energy efficiency and efficient electrification. This program overall is comprised of four proposed phases that will take place over approximately five years. For FY 2023, this program will provide phase I concept prizes, which will be comprised of cash prizes and technical assistance, to support winning teams that present an actionable concept plan for an innovative energy efficiency and efficient electrification building

US0414	Office of Indian Education (OIE) Formula Grants to Local Educational Agencies (LEAs) - FY 2023	05/12/2023 (Multiple)	Native American Tribes, Tribal Orgs, Schools: to support the development and implementation of elementary and secondary school programs that serve Indian students. Funding will support comprehensive projects that are designed to meet the unique cultural, language, and educational needs of American Indian and Alaska Native (AI/AN) students, and ensure that all students meet challenging state academic standards.
US15588	Grants for Expansion and Sustainability of the Comprehensive Community Mental Health Services for Children with Serious Emotional Disturbances (Children's Mental Health Initiative [CMHI]) - FY 2023-2025	03/21/2024 (Multiple)	Local Govt, Tribal Orgs, Schools: to improve the mental health outcomes for children and youth, birth through age 21, at risk for or with serious emotional disturbances (SED), and their families. Funding will support the implementation, expansion, and integration of the system of care (SOC) approach by creating sustainable infrastructure and services that are required as part of the Comprehensive Community Mental Health Services for Children and their Families Program.
US2772	Clean Water Act (CWA) Section 106 Water Pollution Control Program: Grants for Tribes (EPA Region 9) - FY 2024	10/31/2023	Native American Tribes: to assist federally recognized Indian tribes in achieving environmental results by developing institutional capacity to administer water pollution control programs and to protect, improve, and enhance natural resources. Eligible project activities include: Hiring qualified water quality program staff to identify and prioritize water quality issues in order to plan, develop, improve, and maintain a water quality monitoring and protection program Developing a quality...
US0485	Water and Waste Disposal Loan and Grant Program - FY 2023	Rolling	Local Govt, Non-profits, Native American Tribes: to support the provision of clean and reliable drinking water systems, sanitary sewage disposal, sanitary solid waste disposal, and stormwater drainage for households and businesses in eligible rural areas. All facilities receiving funding must be used for a public purpose. Funding may be provided as a loan or as a combination of a loan and a grant. Partnerships with other federal, state, local, private, and nonprofit entities that offer financi
US14624	Federal Home Loan Bank (FHLBank) of San Francisco: Affordable Housing Program (AHP) - FY 2023	03/09/2023 (Multiple)	Any Org: to expand access to affordable housing for very low-, low- and moderate-income households. Projects will involve the purchase, construction, or rehabilitation of housing. Through this program, housing developer or community organization project sponsors will partner with FHLBank of San Francisco members in Arizona, California, and Nevada to apply for funding.
US1978	Community Facilities Direct Loan and Grant Program - FY 2023	Rolling	Non-profits, Local Govt, Native American Tribes, Schools: to provide affordable funding to develop essential community facilities in rural areas. Projects supported through this program must demonstrate substantial community support, and facilities must serve the rural area where they are or will be located. Rural areas must have no more than 20,000 residents according to the latest U.S. Census data, which can be found online at www.census.gov .
