GN Code	Grant Title	Due Date	Note
FD18572	National Association of County and City Health Officials (NACCHO): Addressing Needs of People with Disabilities in COVID-19 Local Preparedness Planning, Mitigation, and Recovery Efforts - FY 2020	10/13/2020	Local Govt: to improve local health department (LHD) capability to effectively address the needs of people with disabilities when planning and responding to outbreaks, pandemics, and other national emergencies, particularly during the current COVID-19 pandemic. Awards will allow LHDs to better address disability issues; embed disability champions in local public health emergency preparedness planning and response programs; and update local emergency response plans to better serve
FD18594	National Association of County and City Health Officials (NACCHO): Demonstration Sites in Climate and Health Supplemental Funds for Climate and Health Activities in Local Health Departments - FY 2020	10/22/2020	Local Govt, Non-profits: to provide support to local governments and other local organizations to track, prevent, and mitigate the health effects of climate change. Awards will be provided to supplement ongoing climate change and health adaptation initiatives in local health departments, implement existing policies and procedures, and integrate climate change into ongoing performance improvement measures. Supported local efforts include: The incorporation of adaptation planning into land use,
FD15262	National Fish and Wildlife Foundation (NFWF): Improving Habitat Quality in Western Big Game Winter Range and Migration Corridors (Select Areas) - FY 2021	11/18/2020	Non-profits, Local Govts: to assist in providing community engagement resources and opportunities specific to the needs of library workers serving small and rural communities. Funding will be provided to libraries serving small and/or rural communities. Libraries serving small communities are defined as those with a legal service area population of 25,000 or fewer. Rural communities are defined as those that are at least five miles from an urbanized area.
FD18600	American Library Association (ALA) and the Association for Rural and Small Libraries (ARSL): Libraries Transforming Communities (LTC): Focus on Small and Rural Libraries - FY 2020	12/02/2020 (Multiple)	Schools, Academic Institutions, Local Govt: to assist in providing community engagement resources and opportunities specific to the needs of library workers serving small and rural communities. Funding will be provided to libraries serving small and/or rural communities. Libraries serving small communities are defined as those with a legal service area population of 25,000 or fewer. Rural communities are defined as those that are at least five miles from an urbanized area.
US3976	Drinking Water Tribal Set-Aside (DWTSA) Program (EPA Region 9) - FY 2021	11/20/2020	Native American Tribes: to assist federally recognized tribes in addressing significant public health threats posed by inadequate public drinking water system infrastructure that serves tribal populations. Projects must ensure compliance with the National Primary Drinking Water Regulations under Title 40, Part 141 of the Code of Federal Regulations (CFR), or otherwise further the health protection objectives of the Safe Drinking Water Act (SDWA).
FD18607	National Foundation for the Centers for Disease Control and Prevention (CDC Foundation): Veteran Suicide Prevention: Evaluation Demonstration Project: Evaluation Capacity Building Grants - FY 2020	10/09/2020	Non-profits: to build the capacity of veteran-serving organizations to evaluate the effectiveness of their programs in helping to prevent suicide among veterans. This program will provide financial and technical assistance to support nonprofit veteran-serving organizations to evaluate current programs in support of the Centers for Disease Control and Prevention (CDC) National Center for Injury Prevention and Control's focus on a public health approach to veteran suicide prevention
FD18612	100,000 Strong in the Americas: Mexico-U.S. Innovation Fund Competition - FY 2020	02/15/2021	Academic Institutions: to support higher education partnerships between Mexico and the United States to create new academic training and exchange programs for students in both countries. All applications must be jointly submitted by at least one U.S. institution of higher education and at least one Mexican institution of higher education. The program is designed to support dynamic partnerships that allow higher education institutions from both sides of the border to work together to provide new
FD16344	CAPTRUST Community Foundation (CCF): Crisis Grant Program - FY 2020	Rolling	Non-profits: o deliver critical assistance in times of crisis by supporting charities that are assisting those severely impacted by natural disasters or a crisis that negatively impacts a family's ability to thrive. Ultimately, this targeted crisis support for families in need should help ease the burdens disasters place on families and help them cope and begin to rebuild their lives.

FD18210	Believe in Reading: Grants for Literacy Program - FY 2020	Rolling	Local Govt, Non-profits: Schools: to support the efforts of libraries that teach, improve, or encourage reading by people of all ages. Awards will be provided to nonprofit organizations, educational institutions, and public and school libraries for existing and provably successful literacy projects that serve any age or aspect of reading and literacy, including adult literacy or English as a second language activities.
FD11984	Best Friends Animal Society: Rachael Ray Save Them All Grants - FY 2020	10/23/2020	Non-prifits: to reduce the number of cats and dogs killed in American animal shelters. The program will support projects proposed by municipal and nonprofit shelters that demonstrate, with statistics, direct impact on saving animals' lives. Projects may focus on just a single event or program, or may include multiple events/programs.
US1782	Community Connect Grant Program - FY 2021	12/23/2020	Local Govt, Native American Tribes, Private Sector, Non-Profits: o provide service at or above broadband speed to all premises in rural, economically challenged communities where broadband services do not exist. Projects will provide community-oriented connectivity to stimulate economic development and provide enhanced educational and health care opportunities in rural areas. Priority will be given to rural areas that demonstrate the greatest need for broadband services.
FD18636	Youth Outside: Liberated Paths (Select Areas) - FY 2020	10/05/2020	Private Sector, Non-profits, Native American Tribes, Schools: to advance racial justice and equity in the outdoor and environmental movement by shifting resources to, and building power with, Black, indigenous, and communities of color. Organizations rooted within their communities will be supported to design and lead joyful outdoor experiences and environmental efforts that are most meaningful to them and their communities. Program funding will be awarded as general operating support.
FD5685	American Farm Bureau (AFB) Foundation for Agriculture: White-Reinhardt Mini-Grants - FY 2021	10/15/2020 (Multiple)	Non-profits: to provide support to county and state farm bureaus for K-12 classroom education projects to increase agricultural literacy. Projects may initiate new programs or expand existing programs to additional grade levels, new audiences, or new subject areas. The program's intention is to build capacity by funding items that can be used repeatedly. Priority will be given to projects demonstrating a need for financial support.
FD6206	Delta Dental of Arizona Foundation (DDAZF): Community Grants (Arizona) - FY 2021	10/22/2020	Local Govt, Academic Institutions, Native American Tribes, Non-profits, Schools: to improve oral health education and services for underserved and uninsured Arizona residents by supporting projects that promote good oral health practices and that increase access to dental care. Applicants may request funding for projects in the categories of prevention, education, and treatment. The funding agency expects that awards issued through this program will: Encourage and advance the integration
US16991	H-1B One Workforce Grant Program - FY 2020	11/12/2020	Local Govt, Non-profits, Private Sector, Academic Institutions: to encourage the development of replicable, comprehensive workforce strategies for preparing the workforce for middle- to high-skilled H-1B occupations within key sectors, such as information technology (IT), advanced manufacturing, and transportation that are being transformed by technological advancements and automation. Funding will support projects that create a pipeline of workers for key industry sectors that lead to well-pay
US16951	Healthy Homes and Weatherization Cooperation Demonstration (Select Areas) - FY 2020	11/09/2020	Local Govt, Non-profits, Academic Institutions: to support demonstrations in communities that provide housing interventions in lower income households that are conducted jointly through the coordination of the funding agency's Lead Hazard Control/Healthy Homes (LHC) programs and programs funded by the U.S. Department of Energy's (DOE's) Weatherization Assistance Program (WAP) to determine whether these coordinated delivery of services achieves cost effectiveness and better outcomes in improving
FD3426	1772 Foundation: Grants for Historic Properties Redevelopment Programs (Revolving Funds) - FY 2021	10/23/2020	Non-profits: to support nonprofit organizations in undertaking historic property redevelopment projects. Historic properties redevelopment projects are defined as active real estate-based programs for protecting endangered properties using techniques such as options, purchase/resale, easements, and tax credits. For these projects, historic structures are ultimately returned to the private sector with deed restrictions in place, and any proceeds realized from transactions are "recycled"
AZ0050	Urban and Community Forestry: Community Challenge Grant Program - FY 2020	10/22/2020	AZ Local Govt, Academic Institutions, Non-profits, Schools: to encourage and promote citizen involvement in creating and supporting long-term and sustainable urban and community forest programs at the local level. Funds should be used to promote and enhance the quality of Arizona's urban and community forests. Projects should be aimed at improving the long-term health and care of the urban forest, or at initiating new urban forestry projects in communities that would not otherwise be funded thr

FD18577	T-Mobile: Project 10Million - FY 2020	Unknown	Schools: to support school districts to deliver internet connectivity to millions of underserved K-12 student households at no cost to them due to COVID-19. School districts enrolled in this program will be able provide free 100 GB per year data plans and free Wi-Fi-enabled hotspots to their students. School districts will also have the option to apply the subsidy value of the free program, which is approximately \$500, towards low-cost plans that offer more data of up to 100 GB per month
US16956	H-1B Rural Healthcare Grant Program - FY 2020	11/13/2020	Local Govt, Native American Tribes, Non-profits, Private Sector, Tribal Orgs: to increase the number of individuals training in health care occupations that directly impact patient care and alleviate health care workforce shortages by creating sustainable employment and training programs in health care occupations, including behavioral and mental health care, serving rural populations. Projects should result in increasing the numbers of individuals in health care occupations by expanding employ
AZ0054	Arizona STOP Violence Against Women (STOP) - FY 2021	10/26/2020	Local Govt, Native American Tribes, Non-profits: to enhance a comprehensive, multidisciplinary, and systemwide approach to domestic violence, sexual assault, and sex trafficking crimes, with an emphasis on underserved populations across Arizona. Funding will support developing, enlarging, or strengthening victim services and legal assistance programs for underserved victims of sexual assault, domestic violence, sex trafficking, dating violence, and stalking.
US16300	Bureau of Indian Education (BIE): Native Language Immersion Grants (Limited Eligibility) - FY 2020	10/30/2020	Schools and Tribal Orgs: to help Bureau of Indian Education (BIE)-funded schools to expand existing language immersion programs or create new programs that will lead to Native language oral proficiency. All projects must make any data that is produced as a result of funding available to the federal government.
AZ0279	Arizona Job Training Program - FY 2021	10/15/2020	Private Sector and Non-profits: to stimulate economic growth by supporting the design and delivery of customized employee training programs that increase the skills and wage levels of employee-trainees. Funding will assist eligible employers in maintaining or exceeding employee training expenditures and creating net new jobs. New employee training and incumbent employee training may be supported.
FD10556	Nonprofit Finance Fund (NFF): Nonprofit Loans - FY 2020	Rolling	Non-profits, Schools: to support nonprofit organizations and social enterprises in expanding opportunities in low- and middle-income communities. Funding will be provided in the form of loans and other types of financing to applicants that promote the economic, social, or cultural development of their communities.
US16964	Community Health Access and Rural Transformation (CHART) Model: Community Transformation Track - FY 2021	02/16/2021	Local Govt, Native American Tribes, Non-profits, Private Sector, Native American Tribes, Tribal Orgs: to provide recipients with a programmatic framework to assess the needs of their community and implement health care delivery system redesign. Through this program, hospitals participating in the alternative payment model (APM) will receive capitated payments that provide a stable revenue stream and incentivize reductions in fixed costs and avoidable utilization.
FD13786	Gardening Know How (GKH): School and Community Garden Sponsorship Program - FY 2020	10/31/2020	Non-profits, Local Govt, Academic Institutions, Schools: to create new or enhance existing community and school gardens. Awards issued through this program may be used for unmet needs for soil, seeds, fertilizers, and building materials. Support may also be used to support garden advertising or marketing.
FD10176	Latin GRAMMY Cultural Foundation (LGCF): Preservation Grants - FY 2021	11/20/2020	Non-profits and Academic Institutions: o further international awareness and appreciation of the significant contributions of Latin music and its makers to the world's culture by supporting projects that advance the archiving and preserving of Latin music genres from Argentina, Bolivia, Brazil, Canada, Chile, Colombia, Costa Rica, Cuba, Dominican Republic, Ecuador, El Salvador, Guatemala, Honduras, Mexico, Nicaragua, Panama, Paraguay, Peru, Portugal, Puerto Rico, Spain, the United States
FD1562	American Library Association (ALA) (et al.): Beyond Words: The Dollar General School Library Relief Fund (Select Areas) - FY 2021	Rolling	Schools and School Districts: o support preK-12 public school libraries with existing campus library programs that have incurred substantial damage or hardship due to natural disasters, such as tornadoes, earthquakes, hurricanes, floods, avalanches, and mudslides; fires; or acts of terrorism recognized by the federal government. Funds may be used to replace or supplement books, media, and/or library equipment in the school library setting. A certified school librarian at the campus, district
US16975	Hazard Mitigation Grant Program (HMGP): Post Fire Assistance (Select Areas) - FY 2020	Unknown	Native American Tribes: to slow or halt the spread of white-nose syndrome disease (WNS) in North America and promote the survival and recovery of WNS-affected bat populations and species. Funding will be provided for projects that develop and deploy field treatments, management tools, and conservation strategies tailored to the disease situation, species, and the habitat(s) in which they were intended to be used. Project objectives should vary depending on epidemiological focus

FD12677	National Fish and Wildlife Foundation (NFWF) (et. al.): Bats for the Future Fund (BFF) - FY 2020	11/12/2020	Local Govt, Non-profits, Private Sector, Academic Institutions: to slow or halt the spread of white-nose syndrome disease (WNS) in North America and promote the survival and recovery of WNS-affected bat populations and species. Funding will be provided for projects that develop and deploy field treatments, management tools, and conservation strategies tailored to the disease situation, species, and the habitat(s) in which they were intended to be used. Project objectives should vary
US1280A	Assistance to Firefighters Grant (AFG) Program (Part A): General Program - FY 2020	Unknown	Local Govt, Native American Tribes, Non-profits: to enhance the safety of the public and firefighters with respect to fire and fire-related hazards.  Funding will be provided for the following program components:  (Part A): General Program (Part B): Fire Prevention and Safety (FP&S) Grant Program: Fire Prevention and Safety (FP&S) Activity (Part C): Fire Prevention and Safety (FP&S) Grant Program: Firefighter Safety Research and Development (R&D) Activity
AZ0395	Arizona Veterans' Donation Fund (VDF) Small Grants Program - FY 2021	Rolling	AZ Non-profits: to engage community and veteran service organizations in the funding agency's efforts to inform Arizona's nearly 600,000 veterans about veterans' benefits and lawfully assist them in their claims for the benefits. Funding will be provided for service events, programs, and projects throughout the state. Due to the COVID-19 public health emergency, in FY 2021, support is available to organizations providing assistance to veterans facing financial instability directly related to C
FD3079	Bank of the West: Charitable Investments Program (Select Areas) - FY 2020	Unknown	Non-profits: o help meet the needs of the communities served by the funding agency by supporting nonprofit organizations dedicated to improving the quality of life. High priority will be given to projects that benefit low- to moderate-income individuals and communities.  Projects must fall under one of the following categories: Education and job training: Financial education and management training projects Job training and vocational projects, including literacy and basic skills education for
US7196A	National Science Foundation (NSF): Robert Noyce Teacher Scholarship Program (Part A): Track 1: Scholarships and Stipends (S&S) - FY 2021	08/31/2021	Academic Institutions, Non-profits, Tribal Orgs: mathematics (STEM) majors and professionals to become K-12 mathematics and science, including engineering and computer science, teachers. The funding agency intends to encourage institutions of higher education to develop and sustain a culture where undergraduate STEM majors and STEM professionals, especially those of the highest achievement and ability who might otherwise not have considered a career in K-12 teaching, are encouraged and supported
FD6247	State Farm: Good Neighbor Citizenship Company Grants - FY 2021	10/31/2020	Academic Inst, Non-profits, Schools: to build safer, stronger, and better-educated communities across the United States. Funding will support projects by educational institutions, governments, and nonprofit organizations that align with one of the following three focus areas:  Safety: projects focused on keeping neighbors safe, with funding directed toward: Auto and roadway safety Teen driver education Home safety and fire prevention Disaster preparedness Disaster recovery
AZ0268A	Water Infrastructure Finance Authority of Arizona (WIFA): Technical Assistance Program (TAP) (Part A): Drinking Water - FY 2021	Rolling	Local Govt, Native American Tribes, Non-profits and Private Sector: to help water and wastewater facilities develop, fund, and implement capital projects. Funding will be provided to help water and wastewater facilities during project design and construction, or to help assist with compliance requirements. The funding agency will select a technical assistance provider, either an engineer or consultant, to provide technical assistance.
FD13924	The Mr. Holland's Opus Foundation and Music Rising: Disaster Relief Assistance - FY 2020	Rolling	School and School Districts: to aid schools affected by natural disasters nationwide as they recover from the devastation, loss, and emotional turmoil brought on by tornadoes, floods, hurricanes, fires, and earthquakes by providing replacement musical instruments and supplies lost and damaged by natural disasters. The program seeks to help schools and students return to a normal life and routine after disaster trauma, as playing music can bring a sense of community, healing, and joy to students
FD9603	The William G. Pomeroy Foundation: National Register Signage Grant Program - FY 2020	Rolling	Local Govt, Non-profits, Academic Institutions: to provide funds to government entities, nonprofit organizations, and nonprofit academic institutions to defray the costs of plaques or signs for public properties and historic districts that are placed on the National Register of Historic Places (NRHP). Awards will allow recipients to commemorate their placement on the NRHP and share this achievement with their communities.

FD13487	International Fund for Animal Welfare (IFAW) and the Disney Conservation Fund: Global Disaster Response Grant - FY 2020	Rolling	<p>Non-profits: to provide both physical and financial support for local response and recovery during moments of crisis resulting from man-made or natural disasters impacting animals.</p> <p>Examples of eligible disasters include:  Man-made disasters, including political conflict, financial crisis, and large-scale cruelty cases  Natural disasters, including extreme weather events, earthquakes, wildfires, and floods</p>
FD11019	The Rogovy Foundation: The Frontier Grant - FY 2020	Rolling	<p>Non-profits: to support ground-breaking ideas within the areas of education, civics, and the environment. Funding will be provided to nonprofit organizations with innovative, implementable, scalable solutions that inspire and propel people to a higher quality of life in a world without borders. Project goals vary according to program area, as follows:  Education: strengthening the role of the humanities  Civics: enhancing the quality of leadership and promoting transparency, integrity,</p>
FD2116	Ben & Jerry's Foundation: Grassroots Organizing for Social Change Program - FY 2021	10/15/2020 (Multiple)	<p>Non-profits: to further social and environmental justice and to support sustainable and just food systems. Rather than focusing on the specific issues that applicant organizations are addressing, this program focuses on the types of activities and strategies that applicant organizations use for creating social change. Funding will be provided to grassroots, constituent-led nonprofit organizations with budgets under \$500,000 that are using community organizing and base-building strategies</p>
AZ0480	Child and Adult Care Food Program (CACFP) - FY 2021	Rolling	<p>Non-profits, Private Sector, Schools: to improve and maintain the health and nutritional status of children and adults enrolled in child or adult care centers, while simultaneously promoting the development of good eating habits. This program will provide meal reimbursement to eligible child care centers, family day care homes, at-risk after-school programs, Head Start programs, outside-school-hours programs, adult day care centers, and emergency shelters providing nutritious foods</p>
FD14746	Enterprise Community Investment: Conventional Equity for Affordable and Workforce Housing - FY 2020	Rolling	<p>Non-profits, Private Sector: to provide a conventional equity product to finance the acquisition and preservation of existing affordable and workforce rental housing communities operated by for-profit and nonprofit housing developers or subsidiaries. FD4180	Janssen Pharmaceuticals: Support for Therapeutic Areas - FY 2020	Varies	Non-profits: to provide support to nonprofit organizations that propose projects addressing the therapeutic areas of cardiovascular disease, immunology, infectious diseases, metabolism, neuroscience, and oncology. Emphasis is given to innovative projects that address disparities or unmet needs and have measurable outcomes. The funding agency prefers providing support to programs and services rather than event-based requests.

FD8622	National Rural Water Association (NRWA): Rural Water Loan Fund (RWLF) - FY 2020	Rolling	Local Govt, Native American Tribes, Non-profits: to provide financing options that meet the unique needs of small water and wastewater facilities serving rural communities or areas with populations of 10,000 or fewer. This program will provide low-cost loans to public entities, including local governments, special purpose districts, Native American tribes, and nonprofit corporations, for short-term repair costs, small capital projects, or predevelopment costs associated with larger projects.
FD1068	The Commonwealth Fund Grants - FY 2020	Rolling	Private Sector, Non-profits, Local Govt, Academic Institutions: to support projects proposed by tax-exempt organizations and public agencies that conduct independent research on health care issues to improve health care practices and policies. Ultimately, the goal of the funding agency is to promote a high-performing health care system that achieves better access, improved quality, and greater efficiency, particularly for society's most vulnerable, including low-income people, the uninsured, and
FD9821	The Sunwest Bank Charitable Foundation (Select Areas) - FY 2020	Rolling	Non-profits: to support nonprofit organizations that strengthen communities served by Sunwest Bank. The program's primary focus is on caring for vulnerable children and families by aiding organizations that help with their basic needs, including food, housing, health care, safety, and education.  The funding agency has provided funding to organizations serving the homeless, physically and sexually abused, hungry, sick, and unemployed.
FD5571	Josiah Macy, Jr. Foundation: President's Grants - FY 2020	Rolling	Non-profits, Academic Institutions: o serve the public's needs and improve public health by providing awards to tax-exempt institutions and agencies for projects that improve the education of health professionals. The program seeks to prepare future health professionals to meet the modern needs of a diverse population that may live longer than any previous generation.  Awards focus on learning environments where future health professionals train so that they learn prevention and the social deter
FD5995	Disabled Veterans National Foundation (DVNF): Health and Comfort Program - FY 2020	Rolling	Non-Profits: to bring tangible aid to veterans who are disabled, low-income, or homeless. Rather than providing monetary awards, this program provides in-kind support in the form of vital necessities like water, clothing, and health and hygiene items. Projects may involve a year-round shelter, a veteran stand-down event, or an outreach event like the Warrior Games. The types of donated goods available may vary.
FD1060	The Lynde and Harry Bradley Foundation - FY 2020	Rolling	Local Govt, Non-profits, Academic Institutions, Schools and School Districts: to restore, strengthen, and protect the principles and institutions of American exceptionalism. Support will be provided for projects that fall within the following funding agency giving areas:
FD10134	Rescue Bank Donations Program - FY 2020	Rolling	Non-profits: to support nonprofit animal rescue groups by providing awards of donated pet food. The ultimate goal of the program is to enable rescue organizations to transfer part of their food budget to much-needed services, such as spay/neuter services, vet services, facility maintenance or improvement, and adoption events.
US16752	Building Resilient Infrastructure and Communities (BRIC) - FY 2020	01/29/2021 (Multiple)	Native American Tribes: o provide support to communities for pre-disaster mitigation activities. The guiding principles of the program are to support recipients through capability and capacity building to enable them to identify mitigation actions and implement projects that reduce risks posed by natural hazards. Awards will also support other strategic objectives of the funding agency, including helping people prepare for disasters and learning from past disasters to improve continuously and in
US16888	Rural Tech Project Challenge - FY 2020	10/08/2020	Schools and School Districts: to advance technology education in rural high schools by developing technology education programs that use competency-based distance learning. Projects should enable rural communities to help their students prepare for postsecondary education and rewarding career opportunities in the technology workforce by advancing technology skills development.  This program operates in two phases:  Phase 1: open submissions: applicants prepare applications for projects that use
US1810	Flood Mitigation Assistance (FMA) Program - FY 2020	01/29/2021	Native American Tribes: to reduce or eliminate the risk of repetitive flood damage to buildings and structures insured under the National Flood Insurance Program (NFIP). This program will enhance critical infrastructure security and resilience, and support the mitigation mission area of the funding agency's 2018-2022 strategic plan.  The funding agency will first select awards in the following categories:  Project scoping Community flood mitigation projects

FD13825	Rapha Foundation - FY 2020	Rolling	Non-Profits: The purpose of this program is to build a better future for the sport of cycling by inspiring, empowering, and supporting the next generation of racers. Funding will be provided to nonprofit grassroots and other nonprofit organizations that commit to advancing cycling to under-represented communities.
FD7180	DentaQuest Partnership for Oral Health Advancement: Executive Director's Fund - FY 2020	Rolling	Non-profits, Academic Institutions: to support convenings, events, and activities proposed by nonprofit organizations that promote oral health. Awards will focus on reducing oral health disparities and advancing health equity.  Ultimately, this program supports the funding agency's mission to improve and strengthen the systems that create better oral health for all.
FD7202	DentaQuest Partnership for Oral Health Advancement: Community Response Fund - FY 2020	Rolling	Non-Profits: to support projects proposed by nonprofit organizations that will help meet the immediate needs of those suffering from poor oral health. Funding will be provided in the form of small, one-time awards to community programs that will address access to oral health care. Funding will support programs, activities, and events that:  Respond to an urgent issue that impacts access to clinical care Provide short-term access to needed care for the underserved Sustain organizations through
FD3120	Cisco Systems Foundation: Product Grant Program - FY 2021	Rolling	Non-Profits: to help nonprofit organizations realize significant gains in productivity, scalability, and cost-efficiency through donations of Cisco networking technology and equipment. Ideal applicants will take full advantage of Cisco's rich asset mix and end-to-end strategic thinking, using technology and ingenuity to bring about order-of-magnitude improvements. Smaller organizations may request small awards, which will be managed and fulfilled by the funding agency's partner, TechSoup. Larger
FD1048	Henry Luce Foundation: American Art Responsive Grants - FY 2020	Rolling	Non-Profits, Local Govt, Academic Institutions: to support a wide range of arts collection-based projects undertaken by nonprofit organizations, museums, and institutions that advance the understanding and presentation of art of the United States through in-depth and multilayered approaches to the study and exhibition of discrete areas of permanent collections. The program encourages and facilitates both internal and outward-facing work within permanent collections, and applicants are encouraged
FD8866	The Global Fund for Children - FY 2020	Rolling	Non-Profits: to help children and youth reach their full potential and advance their rights by providing flexible funding and capacity development services to eligible community-based organizations with nonprofit or charitable status that empower children and youth.
FD7550	Del E. Webb Foundation (Select States) - FY 2020	Rolling	Non Profits: to support the funding agency's vision of investing in results-based projects that will impact the future of society by allowing it to reach its maximum potential. The program invests in productivity that results in long-term benefits and supports new ideas and innovative adaptations that create or enhance opportunities for permanent improvements. The program is primarily focused on child and health initiatives, and priority is given to projects that progress to self-sufficiency.
AZ0409A	Arizona Boating Access Program (ABAP) (Part A): Clean Vessel Act (CVA) - FY 2021	11/04/2020	AZ Local Govt and Private Sector: o support the construction, acquisition, development, renovation, or maintenance of public boating facilities in Arizona. Facilities constructed through this program must be open to the general public and must, when technically feasible, be designed to accommodate the physically challenged. Award recipients will be responsible for the operation and maintenance of all capital improvements acquired or constructed with program funding throughout the useful life of
FD1951	United States Conference of Catholic Bishops (USCCB): Catholic Campaign for Human Development (CCHD): Community Development Grant Program - FY 2022	11/01/2020 (Multiple)	Non-Profits: to support organizations that are led by people in poverty and bring individuals together to change the structures and policies that perpetuate the cycle of poverty. Projects must promote the mission of Jesus Christ and move forward the principles of the funding agency, particularly protecting human life and dignity, strengthening marriage and family life, and nurturing diversity. Overall, funded projects must address the roots of poverty by changing institutional barriers, societal
FD12527	Local Initiatives Support Corporation (LISC): Loans for Nonprofit Organizations - FY 2020	Rolling	Non-Profits: to revitalize communities and bring greater economic opportunity to residents by financing the development and/or improvement of buildings occupied by nonprofit organizations.
