## **CCHHS Clinic set to reopen**

FLAGSTAFF, Ariz. – Coconino County Health & Human Services (CCHHS) Clinic, 2625 N. King Street, Flagstaff, will reopen on Monday, August 31. Services will be offered Monday through Thursday from 8 am to 5 pm. Appointments are required and are available by calling 928-679-7222.

Health and wellness services, including wellness exams, sports physicals, STI testing and treatment, pap testing, pregnancy testing, birth control and IUD/Nexplanon insertion and removal, will be available Mondays and Thursdays from 8 am to 5 pm by appointment only.

Vaccinations required for Arizona school entry and vaccinations recommended for children and adults by the Centers for Disease Control and Prevention (CDC) are available by appointment on Tuesdays and Wednesdays. Those seeking vaccinations are asked to bring their immunization records and insurance card, if applicable. Childhood immunizations are available via the Vaccines for Children (VFC) program or through insurance. Self-pay options are offered on a sliding scale and no one is denied services due to inability to pay. Additional services include vaccinations necessary for college programs, TB tests and travel consultations and vaccines.

As part of the Clinic reopening plan, staff will implement protocols to ensure the safety of clients and employees. Face coverings/masks are required at the clinic site. Additional safety information and requirements will be provided to clients when appointments are scheduled. Individuals visiting the Clinic will be asked to call upon arrival and will be escorted into the Clinic area. Temperature and wellness screenings will be conducted with each client and enhanced cleaning procedures have been implemented.

Visit [www.coconino.az.gov/health](http://www.coconino.az.gov/health) for more information or call the CCHHS Clinic at 928-679-7222 to make an appointment.
