

Kachina Trail Road Reconstruction Project

Tiffany Construction is preparing to break ground in August on the **Kachina Trail Road Reconstruction Project**, which includes the replacement of 0.35 miles of pavement and drainage improvements on Kachina Trail between Ancient Trail & Kona Trail. In addition, the project includes installation of cinder management measures to reduce the volume of cinders flowing into Pumphouse Wash.

Kachina Trail will be closed (except for local traffic) between Ancient Trail and Kona Trail throughout construction. Traffic will be detoured during this period.

The project is slated for completion in October; however, this schedule is subject to change due to weather, Museum Flood response needs, or other unforeseen factors.

For more information, please visit www.coconino.az.gov/KachinaVillageProjects. contact Public Works at 928-679-8300 or via email at countyroadsinfo@coconino.az.gov. Thank you.
