

Overview on Obtaining a Health License in Coconino County

The permitting process can range from a week to months depending on circumstances. In order to guide you through the process and give you a *general idea* of what to expect, please refer to the flow chart below. If you are unclear about any steps or what is expected please contact the Plans Examiner or a District Inspector. You will start under one of two categories, either a new owner of an existing establishment or a new owner of a brand new establishment. **Please remember this is a brief overview only.**
