

Recreation Programs: How to Register

There are three ways to register for programs:

1. Online Registration through CocoRec - [View our guide on how to register for programs](#)

This method is by far the easiest and most convenient way to register for programs. To register with [CocoRec](#), you must first [set up a Customer Account](#). This should take only a few minutes. Once you have a Customer Account, click the Programs link on the top of the screen. From there you can find activities in numerous ways: location, program type, program subject category, and program age category. You can also enter in any of the program numbers into the search box on the right side of the screen. After you have found the program(s) you want to register for, simply add the programs into your cart. You will get a confirmation email after you have paid for the program.

Payment Method(s): Credit Card or Electronic Check

2. Walk-In Registration

To save time, we recommend that you fill out the [registration form](#) and take it to the Coconino County Parks & Recreation main office at 2446 Fort Tuthill Loop in Flagstaff, AZ. A CCPR Staff Member will then assist you in the registration process. The registration form will also be available in the main office. Your registration confirmation will be given to you by the CCPR Staff.

Payment Method(s): Cash, Check, or Credit Card

3. Mail-In Registration

To mail-in your program registration, simply fill out the [registration form](#) and insert payment in form of a check into the envelope. Please mail those items to:
