### VIII. Call to the Public

Sam Beckett

PHEP-Blake – HHS has 20 PAPRs for use, if needed. Working with NAH regarding patient decontamination procedures.

Camille Nehls – Firefighting foam takeback program – AFFF foam containing toxic substances and ADEQ doing swapout drive

Michelle Martinez – ADEQ – Email them with the info on the junkyard fire. Tier II season starting 1/1/23-3/1/23. Agreements sent to all FDs for participation in electronic tier 2 reporting. FDs should contact ADEQ if they want to accept T2 reports.

Kent Redell – NAH Disaster Preparedness Specialist – New to position. If NAH exceeds contaminated wastewater capacity, who should they call? Michele at ADEQ will connect offline to coordinate.

CST exercise – April 10 (Staging Day) 11-13 in Page AZ. They have hired a contractor to put together the exercise so they can be participants.

### IX. Call for Adjournment

Sam Beckett
